

What participants say:

Dr Ruby Payne's Day 3 – Application of Learning Structures Through Classroom Strategies – 27th March, 2006

“Very valuable; makes me think about why, what, how I should teach. Gives me the tools to become more effective and therefore a more caring and unselfish teacher.”

Steve R., Karingal Park Secondary College

...“It has allowed me the insight to what parents think and why they might act towards me and has given me the strategies on how to handle the situation better.”

Tammy S., Seaford Park Primary School

“Brilliant! Funny, entertaining – I kept my focus/ attention for the whole day. The trainer was really inspirational.”

J. Calder and W. Jackson, Healesville High School

“Fantastic. You have certainly sparked some dormant ideas as well as completely new stuff. Thank you.”

J. Dillon, Comet Hill Primary School

Dr Ruby Payne's Meeting Standards and Raising Test Scores When You Don't Have Much Time or Money – 28th & 29th March, 2006

“Excellent to have so many real life examples to reinforce the content being taught.”

“Thank you for the opportunity to reflect and share ideas with colleagues in round table discussions.”

“The best professional Development I have undertaken in 30 years of teaching.”

Ingrid B., Rolling Hills Primary School

“A fantastic course, stimulating, inspiring, thought provoking and entirely relevant to today. A course to set future directions which lead to success for students and rewards for teachers.”

Jan M., Rolling Hills Primary School

“Clarified and focused my thoughts on how to approach raising standards in our school with a population of low socioeconomic students.”
